EFFICIENCY**

# ENGINEERED FOR INTENSIVE

Every detail is designed  
to make your harvest  
**faster, easier** and  
more profitable.

## WHY PROFESSIONALS CHOOSE IT

### HEAVY DUTY CONSTRUCTION

Galvanized steel frame  
built to handle the  
toughest conditions.

### CORROSION RESISTANT

Galvanized finish for  
maximum protection  
and long service life.

### EASY TO USE

Smart design for  
fast loading, easy  
handling and transport.

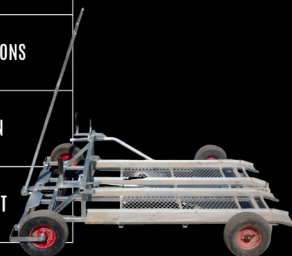

### MAXIMUM EFFICIENCY

Transport more in less  
time. Increase output,  
reduce costs.
